

HYVINKÄÄ Urban Nature Experience & Educational Travel Pre Tour

Hyvinkää is known for its pure nature, safety and healthy pine-scented air. Here, one can take a therapeutic walk in a health forest, enjoy the health benefits of sauna or just slow down for a moment. It is easy to pay a visit from the Helsinki airport as the travel time is only half an hour.

Hyvinkää Pretour will give you an insight on Finnish nature, culture, culinary delights, outdoors activities and educational travel options, all in one.

This tour is ideal for tour organizers who have groups interested in nature tours, wellness, summer camps and educational travel. This itinerary would also be suitable for one or two day “stop-over” groups from Helsinki who wish to experience Finland in a compact “nutshell”.

We will stay in Hotel Sveitsi in the middle of Sveitsi Nature Park. Sveitsi is perfect place for many different activities from skiing, snowboarding, skating, curling, hiking, horse riding, golf and have fun in Sveitsi Adventure Park.
